

Sign up to Power BI

1. In Power BI desktop, click 'Sign in' in the top right corner

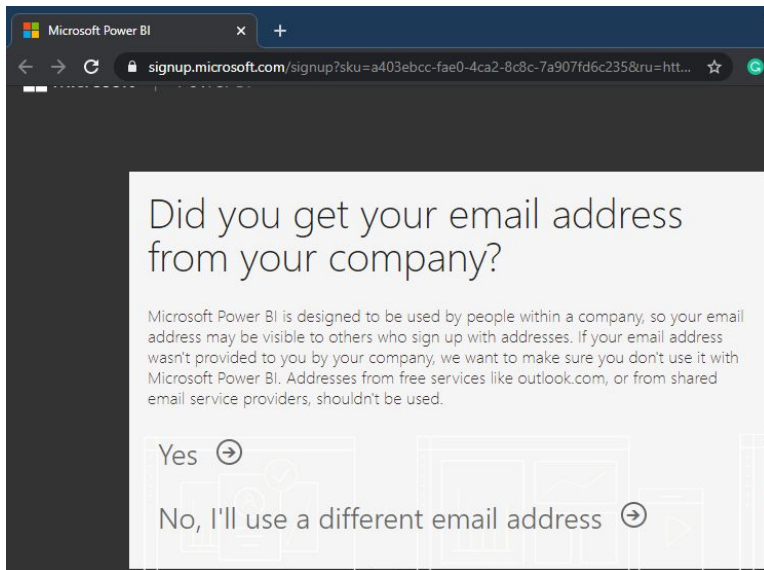

2. Enter your work email address and click 'Sign up'

*Note: If you don't have a work email address, you can set one up via an Office365 for a business free trial. See the video [here](#) or post [here](#).
Alternatively, you can contact Jimmy (jimmy@withyouwithme.com) and he can provide you with a wywmacademy email address for Signup.*

3. Click 'Yes' to continue

POWER BI SIGNUP INSTRUCTIONS

Note: you may also need to receive a text message with a verification code.

4. Create your account - enter your details. Your verification code will be sent to the email address you entered in.
